

ANTI-BULLYING POLICY

Goodwyn School

This policy covers all pupils from age 3 – 11 years across the School.

DEFINITION OF ANTI-BULLYING FOR PURPOSES OF THIS POLICY: As defined by the Department for Education...

'Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages or the Internet), and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, or because a child is adopted or has caring responsibilities. It might be motivated by actual difference between children, or perceived differences. Stopping violence and ensuring immediate physical safety is obviously a school's first priority but emotion bullying can be more damaging than physical; teachers and schools have to make their own judgements about each specific case.'

CYBER-BULLYING: The use of emerging technology such as mobile electronic devices and the Internet to intimidate others is an increasing national trend. Bullying by text, email, social media sites, apps or phone calls often leave no physical scars but can be highly intrusive and hurtful. The School will enforce strictly its policies with regard to the use of mobile electronic devices and the Internet and will continue to monitor closely all e-communications used on the School site. Further details on these matters can be found in the Online Safety Policy. The School reserves the right to review electronic material held or accessed by any pupil in the School including their email account and their mobile electronic device.

STATEMENT: Bullying will not be tolerated in any form. Pupils are encouraged to speak out if they are being bullied or aware of someone who is being bullied. All allegations of bullying will be thoroughly investigated and the punishments will be severe and can include suspension or expulsion. Bystanders also have a role to play in reporting acts of bullying.

TYPES OF BULLYING: There are various types of bullying, but most have three things in common: 1. It is deliberately hurtful behaviour. 2. It is repeated over time. 3. There is an imbalance of power, which makes it hard for those being bullied to defend themselves.

Bullying may take various forms, including:

Physical Kicking, hitting, pushing, and intimidating behaviour or interference with personal property,

Verbal/Psychological Threats, taunts, shunning/ostracism, name-calling/verbal abuse or the spreading of rumours.

Racist Bullying Physical, verbal, written, on-line or text abuse or ridicule based on differences of race, colour, ethnicity, nationality, culture or language. Religious-based Bullying Negative stereotyping, name-calling or ridiculing based on religion, faith or culture.

Sexist Bullying Use of sexist language or negative stereotyping based on gender.

Sexual Bullying Unwanted/inappropriate physical contact or sexual innuendo.

Homophobic Bullying Name-calling, innuendo or negative stereotyping based on sexual orientation or use of homophobic language.

SEN/Disability Bullying Name-calling, innuendo, negative stereotyping or excluding from activity based on disability or learning difficulties.

Gifted/Talented Bullying Name-calling, innuendo, ostracism or negative peer pressure based on high levels of ability or effort.

Cyber/Virtual Violence Bullying Abuse on-line or via text message, interfering with electronic files, setting up or promoting inappropriate websites and inappropriate sharing of images from webcams/mobile phones.

AIMS:

- The School is committed to the health, safety and well-being (both physical and emotional) of all of its community members and will deploy stringent and active measures to safeguard these aims and provide a safe environment in which the community can develop
- The School has a planned education programme relating to Anti-Bullying involving the development of skills, starting from the Early Years, which identifies learning outcomes appropriate to pupils' age, ability and levels of maturity on the effects of bullying
- To make clear the School encourages pupils to speak out with assurances each situation will be taken very seriously
- To be vigilant in looking for signs of bullying and be readily available to listen to pupils who feel they have been subjected to bullying
- To keep detailed records to enable patterns of behaviour to be easily identified
- To fulfil its responsibility relating to government guidance (Every Child Matters, leading to the Children Act 2004) and the legislative obligations under the following: Human Rights Act 1998, Race Relations (Amendment) Act 2000.

ANTI-BULLYING PROCEDURE

Advice to pupils: If you are being bullied:

- Be firm and clear, look the person in the eyes and tell them to stop
- Get away from the situation as quickly as possible
- Tell an adult what has happened straight away.

After an incident of bullying:

- Tell a teacher or another adult in the School

- Tell your family
- Ask a friend to come with you if you need support in telling a teacher or an adult
- Keep on speaking up until someone listens
- Do not blame yourself for what has happened. When talking about bullying with an adult be clear on:
 - What has happened to you
 - How often this has happened to you
 - Who was involved
 - Who saw what happened to you
 - Where it happened to you
 - What you have done about it already.

Advice to parents/guardians:

- Make time to talk to your child and ensure that s/he is happy at school
- If your child's behaviour changes, try to establish the reasons why
 - If the situation does not improve, contact your child's Class Teacher for an informal chat
 - If the problem persists, make an appointment to discuss the matter in person as soon as possible
 - If you believe your child is being bullied contact the Class Teacher immediately, they will take the matter very seriously, follow the procedure set down in this policy and keep you informed at every stage of the enquiry
 - It may be that following initial enquiry the matter will be investigated by a member of SMT who will draw up a plan of action for a successful outcome
 - Warning letters will be issued in the first instance, however, in certain cases a suspension may be imposed
 - Further occurrences of bullying could result in an expulsion.

Advice to staff: Signs of bullying:

- A child's behaviour may change suddenly, they may have become depressed or withdrawn
- They may start avoiding school for no obvious reason
- They might seem happy at home but miserable at school
- They may have unexplainable bruises, scratches or other physical injuries.

Support for the child:

- Listen to them and reassure them that you believe them
- Take their feelings and worries seriously
- Talk through their options with them
- Support them by standing up to the bully
- Follow up claims as soon as possible

- If a parent/guardian has made contact, set a deadline for resolution and stay in regular contact with them
- If the situation cannot be resolved effectively or you feel you are unable to cope, refer the matter immediately to a member of the School Management Team
- Keep accurate records and attach a copy to the pupil's file and continue to monitor the situation.

Sanctions

If it is deemed appropriate, or the pupil's second offence SMT will become involved and the parents/guardians of the perpetrator/s will be informed by email/telephone. The following sanctions may then be applied in line with the School's Behaviour Policy.

Parents/guardians will be invited into the School to discuss the matter and a formal warning or a disciplinary sanction may be given.

In very serious cases, it may be necessary to make a report to the Police or Social Services. The School will attempt to resolve such issues internally using its own disciplinary sanctions.

Pupil surveys will be used to facilitate an understanding of the level and type of bullying that pupils might have experienced.

Incidents of reported bullying will be followed up by Class Teachers and SMT including those in the EYFS setting to monitor that the problem has been resolved.

GENERAL INFORMATION:

The School's Position

No school has the answer to every problem, and no single method can be used to deal with all bullying incidents.

The School's reaction will depend upon the circumstances and each case will be treated individually.

The development of new ideas continues and we are aware of the need to ensure that all our pupils, parents/guardians and staff have an understanding of bullying. Our procedure is clear and the issue of bullying is covered within the curriculum.

Anti-Bullying Education in the Curriculum

The School will raise the awareness of the anti-social nature of bullying through a PSHE programme (Personal, Social and Health Education), school assemblies, the Student Council

- The SMT will liaise with the PSHE Subject Leader to ensure an anti-bullying programme forms part of the PSHE course
 - Teachers are responsible for introducing anti-bullying material in their programmes of study as appropriate

The School will raise awareness of staff through training and INSET.

CONSEQUENCES OF BREACH OF POLICY:

Any pupil/student found to be bullying other members of the community can be expected to face disciplinary consequences.

BOUNDARIES: This policy applies within and around the School gates, when a pupil is identifiable as a member of the School, at public transport stops, school trips (residential and non-residential), on work experience and anywhere on the School grounds.

Where any form of cyber-bullying affects another pupil in the School or may bring the reputation of the School into disrepute, the School reserves the right to be involved whether the electronic material was produced within the School or outside. Pupils must be aware that some forms and levels of cyber-bullying are illegal and the School will inform the police when necessary.

- Be observant and ask pupils what is happening to them
- Deal with incidents according to this Policy
- Never let any incidences of bullying pass by unreported, whether on-site or during an off-site activity.

DEALING WITH INCIDENTS:

- The incident will be investigated initially and immediately by the teacher approached, if there is a racial element to the incident, the SMT will be informed immediately
- The details of the incident will be recorded on a 'Disclosure Form' (available in the Staff Room and in the teacher resource area online) and the Class Teacher will be informed
- Staff teaching the bullied pupil will be informed by the Class Teacher who will determine, in consultation with the SMT, the appropriate strategy and plan of action to combat the bullying
- Parents/guardians will be kept informed by the SMT or Class Teacher depending on the nature of the case
- Sanctions against the bully will be determined by the SMT.

COUNSELLING AND SUPPORT: If there is a perceived need for counselling and external support the School would, in appropriate cases, arrange guidance, professional services and or counselling for both bullies and the bullied.
