

## **The Barnet Local Offer**

The Local Offer is a guide to the services available in Barnet to children and young people with special educational needs (SEN) and disabilities aged from birth to 25. The purpose of the Local Offer is to provide parents and children or young people with a single point of access to clear and comprehensive information about services in Barnet that are available for children and young people who have a special educational need and/or disability.

In September 2014, each local authority in England was required by central government to publish its Local Offer. This new system aims to put each young person and their family at the centre of discussions about the support offered. You will find many useful contacts by following the link below:-
