

## Mini Clubs (LKG, UKG and Transition) for Autumn 2025

### Club description

Cost for Autumn Term: £90.00

### Mondays

#### **Lego Club for LKG, UKG and Transition with Ms Beaumont**

Show your creativity as you build Lego creations! Each week will offer free play (with project ideas) and a time at the end of the session for Show & Tell. There will also be some building challenges scattered throughout the term. This is an ideal club for any Lego-maniac!

#### **Busy Hands Club for UKG and Transition with Ms Bekhor**

Use your imagination in Busy Hands. Each session explores a new artistic medium—from paper and paint to clay, textiles, and mixed media—giving you the chance to experiment, create, and connect. Even if you're only curious to try something new, our fun and friendly environment is the perfect place to spark creativity, learn new techniques, and bring your ideas to life. Just bring your enthusiasm!

#### **Games Galore Club for LKG, UKG and Transition with Mrs Lee**

Do you love playing games? Have you ever played UNO, Dobble, Top Trumps and Happy Families? Do you like puzzles and board games like Connect 4, Guess Who and Frustration? In this club you will be able to learn how to play both competitive and cooperative games, whilst developing good sportsmanship and communication skills. Each week you will learn something new whilst having lots of fun with the rest of the group.

### Tuesdays

#### **Mindfulness and Wellbeing Club for LKG and UKG with Mrs Goodkind**

If you want to relax to the max after a busy day at school, come and take part in some calm creative activities, such as threading colourful bracelets, creating magical sensory jars, making sensory playdough and discovering ways to calm your body and mind through breathing exercises and yoga then come and join my club! We will read a story each week, linking our circle time to the story and having a chance to speak up in a small group to share our thoughts and feelings. There is no better place to unwind and express yourself than mindfulness.

#### **All Things Sports for UKG and Transition with Miss Marks**

Want to become part of a team that works together to learn and play new sports? You will learn new techniques, new skills and new sports as well as practice and play sports that you already know. We will play a range of different sports from netball, bench ball, football, dodgeball, hockey and more. We will learn general ball skills, take part in competitive races and obstacle courses and maybe even some High Intensity Training workouts! Each week will be different, competitive and most importantly fun!

#### **Crazy Science Club for UKG and Transition with Ms Woolfe and her Team**

Come and explore amazing astronomy, cool chemistry and powerful physics as a super science professor! Would you like to explore the exciting world of science by carrying out "magic" tricks and spectacular experiments including sweet

#### **Drawing Club- Unleash Your Creativity! for LKG, UKG and Transition with Mrs Bowe**

Calling all little artists! Join drawing club, where each week children will explore different themes, learn new techniques, and develop their artistic skills in a relaxed and supportive environment.

## Wednesdays

### **The Club That Asks, Can You? for LKG, UKG and Transition with Ms Ostryn**

Can you build a 3D puzzle? Can you create an origami model? Can you build a house from cards? Or design a bridge which can hold the weight of a large toy. Come and join our Can You Club to answer these questions. Together we will explore, create and challenge ourselves to the fullest. So, Can You?

### **Team Building Club for LKG, UKG and Transition with Ms Beaumont**

Welcome to the team builders club where we discover the power of teamwork, creativity and problem solving. Each week gaining confidence, making new friends and exploring all different ideas to make the team a dream!

## Thursdays

### **Cooking Club for LKG and UKG with Mrs Mogilner**

Our fun-filled Kids Cooking Club Classes are a fantastic way to learn a variety of new culinary skills and easy recipes to make at school and then enjoy at home.

### **Draughts and Chess Club for Transition only with Ms Woolfe**

Start an exciting new pathway to becoming a chess player of the future or return after beginning chess last year! Chess and draughts help children to increase their focus, develop their memories and learn how to think ahead. Come and find out how to play strategy games and make your first moves of the chess pieces in a fun and interactive way.

### **Sewing Club for UKG and Transition with Mrs Costin**

Have you always wanted to be able to sew on your own button or make your own teddy bear!! Come to sewing club and learn some basic skills - threading a needle, knotting and mending. You will learn to decorate a sampler with embroidery thread, make teddy bears and cushions and have the confidence to decorate your own items of clothing. These skills are fun to learn and will always be useful. Come along and have fun.

## Fridays

### **Computing Club for UKG and Transition with Mrs Maranzana**

Computing Club is for children who are keen to build essential digital skills in a fun, supportive environment. The children will be able to work at their own pace and will be challenged, whatever their age!

This club will explore a range of engaging activities including:

- **Coding:** Children will be introduced to the basics of programming, helping them develop logical thinking, creativity and problem-solving skills.
- **Touch Typing:** Learning to type with speed and accuracy is a lifelong skill that supports confidence and fluency in writing across the curriculum.
- **Paint Programs and Digital Art:** Using creative software tools, children will learn how to express their ideas visually, supporting both artistic development and digital literacy.

In an increasingly digital world, it is more important than ever that children feel confident and capable with technology. The children will develop some key computing skills that will support their learning across all subjects.
